

**FORT WORTH  
ACADEMY  
OF FINE ARTS**

April 22, 2014

Dear friends,

It is with a heavy heart that I announce my departure from the Fort Worth Academy of Fine Arts upon completion of this school year. I cannot imagine having better colleagues, parents, and most of all, students to have shared these past four years. I have truly been blessed. There are certain times in life when, despite wonderful present circumstances for which I am so thankful, it is simply time for the next chapter. Some weeks ago, I determined that this is one of those times for me. I will leave FWAFA with the greatest of affections.

All my best,

Craig Moody.
